

marketplace

Marketplace is the full colour four-page advertising section stapled into the Ethical Performance business newsletter.

Marketplace is your key to the offices of CSR directors and managers that you want to win as clients. You may well be talking to them already – as will your competitors. An advertisement in Marketplace ensures that your service offering is seen by key decision makers within companies.

Readership: 2400. Piecharts show breakdown

64% of subscribers are at director or VP level and 90% are based in Europe
